

The Putnam Bank Foundation
40 Main Street
Putnam, Connecticut 06260

Thank you for your interest in The Putnam Bank Foundation. This document will provide you with the instructions and application form necessary for your non-profit organization to submit a grant request.

The Putnam Bank established the Foundation as a charitable extension of its commitment to the communities the bank and its employees have served since 1862. We feel that, as bankers, we have a responsibility not only to provide products and services, but also to enhance the quality of life in the communities where we and our customers live and work. The Putnam Bank Foundation is one means we have of giving something back to our communities.

The Foundation supports cultural, educational, health, housing, social services, and other charitable organizations that seek to improve the quality of life in the communities served by Putnam Bank. Charitable contributions to these organizations are intended to strengthen the relationship between the Putnam Bank and the communities it serves. Generally, the Foundation will focus on project support rather than funding for bricks and mortar or general operating expenses. To apply, please complete the attached application and return it, accompanied by the documentation outlined below, to the address indicated.

We at The Putnam Bank Foundation are proud to have the opportunity to invest in organizations that make our communities better places to work and live. Please accept our best wishes for success in your charitable endeavors.

Very truly yours,

Thomas A. Borner
President
The Putnam Bank Foundation
